Fiber Optics Cable Pigtails Technical

19" OPEN RACK

**Intended for installations which do not require full housing**

- The design is based on a single assembled 19' frame fixed by screws to two steel mounting angles forming the base.
- Chassis has openings to brace the rack to the floor.
- Optionally the rack can be equipped with wall-fastening brackets.
- Possibility to use some supplementary accessories as for data telecom cabinets: shelves, drawers, power strips etc.

Reference chart

HU [U = 44.45mm]	H [mm]	Maximum load capacity [kg]	Catalogue number
31U	1486	100	WZ-0008-01-01-011
41U	1941	100	WZ-0008-01-02-011
